

## PCR test for travelers

For those who wish to have a PCR test

- Since July 1, 2020, our center has been conducting PCR tests for overseas travelers regarding the new coronavirus infection. We only accept people who travel abroad for work or who return to their own country.
- If you need a PCR test, please make a reservation from 9:00 to 10:00 on Monday, Tuesday, Wednesday, and Friday, and if you have a health certificate that does not require a PCR test, please make a reservation during the consultation hours of our center.
- Certificate will be issued in English. Results will be available on the evening of the day, so we will hand over the results within the consultation hours of our center after the evening of the day.
- If the PCR test is positive, We will report your information to the health center of your place. Follow the instructions of the health center.

**\* Conditions such as validity period vary depending on the country. The situation may also change. Please be sure to check with the embassy etc. before applying.**
